Wow! This 4 bedroom colonial style home in Forest Lakes has been completely updated top to bottom! Kitchen was renovated in 2016 and features white cabinets, granite counters, beautiful tile backsplash, stainless appliances, a large pantry and eat-in area with built-in banquette seating. Recently refinished hardwoods grace the first level, and upstairs, each bedroom features new carpet. The owner's suite features a large jetted tub, dual vanities and skylights, while the hall bath sparkles with stunning subway tile. A large basement rec room with half bath and laundry provides access to the two car garage. Outside, mature landscaping provides shade for deck plumbed for gas grill or firepit, and patio for outdoor entertaining!
